British Foreign Policy Since 1870

Since the Turkish Sultan, or Khalifah, had also sporadically claimed guardianship of the Islamic holy sites of Mecca, Medina, and Jerusalem, and since the British and their allies were now in conflict with Turkey, doubts began to increase among some Indian Muslims about the "religious neutrality" of the British, doubts that had already surfaced ...

British Raj - Wikipedia

Though these foreign policy objectives have been modified in the light of the circumstances yet by and the large USA has tried to adhere to these principles. Even while expressing faith in the above principles of foreign policy, the USA in the post World War II period, endeavored to play a dominant role in world affairs.

Types Of Foreign Policy and Choices - Political Science

The British Empire was composed of the dominions, colonies, protectorates, mandates, and other territories ruled or administered by the United Kingdom and its predecessor states. It began with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height it was the largest empire in history and, for over a century, was the ...

British Empire - Wikipedia

Since the British electorate voted to leave the European Union, many commentators have sought to explain (and often decry) the referendum's outcome as the result of a misleading and demagogic Leave campaign, irrational xenophobia, simple racism, an obstinate protest vote, the government's fiscal austerity policies, a largely Eurosceptic ...
