Choice Or Chance A Guide

Lesser troops always increase the mission success chance by 15% while the greater troops add 30% to the success chance. Powerful troops also add 30% to the success chance, but additionally they have the ability to counter one of the non-boss threats: Hazard, Minions or Spell. The ability is randomly chosen upon troop recruitment.

That means the at-large seat will be chosen in an unusual way: by chance. A tie in a municipal race is determined by the city clerk "in public by lot," according to the Portland city charter .

Outcome of tied ranked-choice race in Portland to be ...

A winning strategy starts with your choice of the lottery. The keys are fewer balls and a less pick size. For example, if you choose among three lotteries with 49, 42, and 35 balls, then your clear choice should be the one with 35 balls. So remember the rule, fewer numbers, better odds. But the pick-size matters too.
