While modern books are born digital, books old enough to be in the public domain may never have seen a computer. Google has been scanning books from public libraries and other sources for several years. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers.

Saxon Math 3 Teacher Edition

This teacher's guide is the most important component in the Saxon Math 3 program and the program cannot be used without it. Each chapter includes a preparation information section that includes materials needed, what to do the night before, and what to do in the morning. The fully-scripted lesson follows with dedicated sections for the "meeting," "lesson," "class practice," and "written ...
