The Value Of Everything Making

A scathing indictment of our current global financial system, The Value of Everything rigorously scrutinizes the way in which economic value has been accounted and reveals how economic theory has failed to clearly delineate the difference between value creation and value extraction. Mariana Mazzucato argues that the increasingly blurry distinction between the two categories has allowed certain actors in the economy to portray themselves as value creators, while in reality they are just ...

The Value of Everything: Making and Taking in the Global ...

The value of everything by Mariana Mazzucato is about value creation and value extraction, making versus taking, which is a subtitle of the book. We currently have corporate governance structures which are very much not just aimed at short-termism but actually very much centred around extracting value.

If the answer is still yes, then The Value of Everything: Making and Taking in the Global Economy, authored by Mariana Mazzucato, is essential reading. 'Value' used to be a primary tenet in economics. It essentially originates from the cost of production and determines the price of things.

Book Review: The Value of Everything: Making and Taking in ...

These are but a few of the challenging questions Mariana Mazzucato, a professor in the economics of innovation and public value at University College London, raises in her scholarly study, The Value of Everything: Making and Taking in the Global Economy.

The Value of Everything: Making and Taking in the Global ...

In this scathing indictment of our current global financial system, The Value of Everything rigorously scrutinizes the way in which economic value has been determined and reveals how the difference between value creation and value extraction has become increasingly blurry. Mariana Mazzucato argues that this blurriness allowed certain actors in the economy to portray themselves as value creators, while in reality they were just moving existing value around or, even worse, destroying it.
